Re: **Discount Tax Preparation Services**

“That” time of the year is upon us ... The dreaded tax time. And in an effort to continue bringing additional discounted services to our employees, we are pleased to announce that we have, again, secured an agreement to give you and your families a **25% discount** on Federal and State tax return preparation.

Richard Bellows is a retired CPA with over 40 years of tax preparation experience. He has been designated as a Registered Tax Return Preparer (RTRP) and has qualified for 2017 in the AFSP voluntary program of the Internal Revenue Service. He offers personalized service, including, if needed, tax information during the year at no additional cost. Using Richard is convenient. You can go to his house, which is in Ocean Township, or he'll come to your house or anywhere else that is best for both. The fee charged is based on how complex the preparation is. Most return fees fall in the \$100 to \$250 range.

The Affordable Care Act (ACA), also known as “Obamacare” will affect individuals and businesses in 2017. Also, the PATH Act was enacted to be effective for the 2016 Tax Year. Richard can be of assistance in helping you and your families wade through the many pages of regulations and provisions to keep adverse consequences to a minimum.

You can contact Richard at: (H) 732-493-0244,

(C) 732-804-8591 or

(E-MAIL) rjb@quixnet.net -- insert “TAX” in the subject line.

We hope that this information will assist you with your taxes this year. Make sure when you contact Richard; you mention that you are an MCEA member.
