Dear Applicant,

Each year, the Monmouth County Education Association invites the children of its members, who are either current high school students or post-secondary students, to apply for one of our scholarship opportunities, The Jean Villapiano Scholarship or the Trade, Vocational, or Career & Technical Education Program Scholarship.

On the attached application, you will find instructions as to what needs to be completed by the student and what needs to be completed by the high school Guidance Office. Please ensure that the directions are followed completely and all pertinent information is enclosed with the application.

Please note: In order to be considered your application must be received in the MCEA office by **March 31, 2023**. An application received after that date will not be considered.

Sincerely,
